Python

HTML5

CSS3

Education

University of Waterloo
B.C.S. Computer Science 2021

Employment

Old Navy
Sales Associate

Markham, ON
May 2016 to Sep 2016

Ensured high levels of customer satisfaction through excellent sales service.
Remained knowledgeable on products and promotions.
Built productive trust relationships with guest

McDonald's Canada
Crew Member

Markham, ON
Nov 2014 to Jun 2015

Strengthened relationship with managers as I operated the cash register
Remained knowledgeable on nutritional information on menu items
Multitasked between ensuring supplies were always in stock while working.

Projects

Classic Snake Game
Oct 2016 to Oct 2016

This was a project out of my own interest as I wanted to program the game that I have once played on a daily basis. Overall, it was a nice experience and a good way for me to get back into programming with Java.

Personal Website
Jul 2016 to Jul 2016

A way to demonstrate my passion for web development and a way to display myself as a unique individual

Motor Controlled Robotic Arm
May 2015 to Jun 2015

Programmed two motors using the PICAXE microcontroller with the BASIC language so that it could exchange the position of two blocks
